

Hello to all!

It is hard to believe but the **2023 Huron County Fair** will be here before we know it. The fair could not operate without the generous support of the people like you! Attached you will find our different advertising packages, sponsorship levels and an explanation of how your donation may benefit your business.

If you choose to take advantage of this opportunity, you have a few different ways to do so. This year's fair dates are August 14th – 19th. As in the past we are planning a full week of entertainment intended for all ages, youth to senior citizens. Through our advertising opportunities your business can potentially reach over 100,000 people in Huron County and the surrounding areas.

The attached sheets explain our "Sponsorship" program as well as a sponsor mail in form.

For further information or additional help with becoming a sponsor please contact our committee chair:

Director- Chris Morgan @ 419-681-2950

Visit us on Facebook and the web @
